Well, I will tell you that I am shocked that I get that message almost every day. It's like, you know what, I tried everything, the number of people contacted, the number of people that I talked. . They took advantage of that, and they took advantage of us and I think

there's a lot of people that feels the same way, you know what I mean.  
And I think we should not take them for granted because they
